

Sample code snippets for Weebly templates designed by Albemarle PR after 2016.

Mandatory Code

The code snippet below is required for your icons to display custom styling. You'll add your custom icon code snippets inside of this code.

```
<div id="socialmedia" style="text-align: center;">INSERT ICON CODE HERE</div>
```

Here are the code snippets for popular icons:

Twitter Icon

```
<a href="http://www.twitter.com/" target="_blank" title="twitter"><i class="fa fa-twitter fa-2x connect-icon"></i></a>
```

Facebook Icon

```
<a href="http://www.facebook.com/" target="_blank" title="facebook"><i class="fa fa-facebook fa-2x connect-icon"></i></a>
```

Instagram Icon

```
<a href="http://www.instagram.com/" target="_blank" title="instagram"><i class="fa fa-instagram fa-2x connect-icon"></i></a>
```

Bloglovin Icon

```
<a href="http://www.bloglovin.com/" target="_blank" title="bloglovin"><i class="fa fa-heart fa-2x connect-icon"></i></a>
```

Pinterest Icon

```
<a href="http://www.pinterest.com/" target="_blank" title="pinterest"><i class="fa fa-pinterest fa-2x connect-icon"></i></a>
```

Email Icon

```
<a href="mailto:youremail" title="contact"><i class="fa fa-envelope fa-2x connect-icon"></i></a></div>
```
